

Student Welfare

The wellbeing of our students is central to the learning experience at IPC Exeter.

We aim to provide a supportive and inclusive environment where students feel safe, valued and able to focus on their academic and personal development.

Our student welfare approach includes:

- Accessible pastoral support from staff
- Clear communication of expectations and support services
- Respectful and inclusive learning environments
- Appropriate supervision of younger students
- Guidance for students adapting to a new cultural and academic environment

Students are encouraged to speak with staff if they experience any difficulties relating to their studies, accommodation or personal wellbeing.

IPC staff are committed to responding promptly and sensitively to welfare concerns.

Further details of our welfare procedures are available upon request.
